

Celebrating reconciliation

Teshuvah

&

Repentance

After the Days of Repentance, Jews celebrate reconciliation with God and experience God's unconditional love on Yom Kippur. Christians seek reconciliation: praying, celebrating the Eucharist and turning to God during the 40 days of Lent. Through rituals of repentance, Jews and Christians celebrate God's mercy, and recommit themselves to living out their faiths in ways that help to transform our world. Beginning anew!

#Jewish & Christian – Closer than you think
